All county personnel will report to work as normal unless otherwise directed.

Many county provided services can be accessed online and specific questions pertaining to services, previously scheduled appointments etc., can be answered via telephone or email by the respective department or row office (<https://www.carboncounty.com/index.php/phone-e-mail>).

Public meetings will be live-streamed at www.facebook.com/CarbonCountyCommissioners.

The Board of Commissioners, Courts, and Row Officers thank you in advance for your patience and understanding during this unprecedented period."
